

The Journey Fee Info

1) The fee for The Journey is \$125 per month. An invoice is sent each month, and payment is due by the 1st. When you join us in this healing/training process, you may consider this a part of your tithe. Tithes are a necessary part of your Christian responsibility. If you do not attend church this gives you an opportunity to tithe as God commands.

2) The Journey may include optional opportunities to participate in retreats and other events. Journey members will need to cover their costs for any events they wish to attend. For paid events sponsored by The Center for Inner Healing, members will receive an invoice for those fees as they come up, for the convenience of those who will attend.
